How did you hear about Snow Lion?_____

When would you like your child to begin attending Snow Lion? _____

Which days would you like your child to attend? _____

Shall we inform you if space becomes available other than what you've requested? _____

Has your child ever been enrolled in another preschool program or playgroup? _____

If yes, please describe program and let us know why you would like to make a change.

Please tell us about your child.

We have a highly involved parent community. How do you see yourself getting involved in our school?

Because we have a very community oriented school, we strongly prefer to enroll children whose families plan to keep them at Snow Lion until they go off to elementary school. Does this fit with your plans for your child?
