

## **Snow Lion School Calendar 2021-22**

Last year we had to rethink many of our festivals and traditions. We feel so grateful we were able to do all of our special Snow Lion events and this year we plan to return to our more established way of holding certain school events like Spindlewood, Winter Garden, and Graduation. Harvest Festival and Spring Fair will happen during class hours, as last year we fell in love with these events taking place during the school day. We will be offering parent meetings in two ways again this year. Path of Parenting Meetings are day time meetings where we connect around parenting inquiries and experiences in an open-ended way- these take place on Zoom. Community Meetings happen in the evening and are less frequent. These meetings will have a social element this year, so parents can connect with each other, as well as particular educational/ parenting topics presented more formally. In addition, we hope to offer a couple special guest presentations this year. Stay tuned for those dates!

For the most part, Snow Lion follows the B.V.S.D. calendar. Because most children are not enrolled 5 days/week, we attempt to balance all days off so as to fairly impact families. Snow Lion closes on all B.V.S.D. snow/weather/emergency/mandatory closure dates. Generally, B.V.S.D. notifies KGNU by 6:30 a.m. when the district has made the decision to close schools due to weather or you can go to [www.bvsvd.org](http://www.bvsvd.org) for more information.
